PROFESSIONAL EXPERIENCE

NYC Public Schools - *New York, NY* *July 2026 - September 2026*
Press Intern
- Compiled daily media clips tracking coverage of NYC Public Schools news, relevant stories and initiatives.
- Researched and vetted 100+ influencers and media outlets for potential outreach and collaboration.
- Assisted with press events and school visits involving city and state officials, including the Mayor, Governor and Schools Chancellor.

The Moynihan Center - *Remote* *December 2025 - Present*
College Intern
- Manage fellowship tracking systems for 40+ fellows, ensuring records remain accurate, organized, and up to date.
- Assist with daily program operations by monitoring the email inbox, drafting professional communications, and supporting administrative work as needed.

Harlem View – *New York, NY* *September 2024 – Present*
Managing Student Editor & Contributing Writer
- Manage the timely publication of student news and features, uploading stories to help keep the community informed.
- Research and write 4+ articles on campus and community issues, conducting interviews, fact-checking and verifying information to produce engaging and accurate reporting.
- Create data visualizations and multimedia content to enhance storytelling and communicate complex information.

FELLOWSHIPS & RESEARCH

Break Through Tech AI Program – *Remote* *March 2026 – Present*
AI/ML Fellow
- Selected from a pool of 4,300+ applicants for a competitive, technical 12-month AI program involving Machine Learning coursework, mentorship with industry professionals, and technical projects.
- Collaborate on an industry project developing a neural network to reduce background noise for individuals who are hearing impaired.

APF-AI Fellowship – *New York, NY* *June 2026 – July 2026*
APF-AI Fellow
- Selected as one of three fellows for a leadership and professional development program exploring AI applications, emerging technologies, and interdisciplinary collaboration.
- Helped develop an AI chatbot to make essential information for Pakistani communities more accessible.

Inner Circle Journalism Fellowship – *New York, NY* *August 2025 – May 2026*
Fellow
- Selected as one of 11 students for the Inner Circle Journalism Fellowship, focused on strengthening reporting, writing, and storytelling skills through faculty mentorship and professional development workshops.

LEADERSHIP EXPERIENCE

Active Minds Undergrad @ CCNY – *New York, NY* *August 2025 – Present*
Co-Founder & Co-President
- Co-founded CCNY's Active Minds chapter to encourage open conversations surrounding student mental health and foster a supportive campus environment.
- Coordinate club logistics, calendars and event planning to support the successful execution of meetings and campus initiatives for over 100+ members.
